Item 5: To consider the cases of PG students who have failed to meet the stipulated academic requirements in the 2016-17-II semester.

The SPGC considered the cases of academically deficient students in semester-I (2016-2017). Appendix 1A contains the list of M.Tech./M.Des./MBA/MS(Research)/Ph.D. students recommended to continue in their respective programmes. These students are to be issued letters of warning by their respective HoDs.

Appendix 1B contains the list of Ph.D. students who have obtained at least one X in this semester, and have accumulated 2-7 Xs so far in their thesis work. These students are to be issued letters of warning by their respective HoDs. Appendix 1C contains the list of M.Tech./MBA/MS(Research)/Ph.D. students recommended by the SPGC for termination in their respective programmes.

Item 6: To consider issues arising out of the implementation of Section 7.1, Footnote 2 of the PG Manual.

The SPGC reviewed Section 7.1, footnote 2 of the PG Manual in the light of its implementation over the past two years. After detailed discussion, the committee recommended the following revision in Section 7.1, footnote 2:

Existing:- 4.8.1. Change of Registration from Full-Time to Part-Time Ph.D. Programme

4.8.1. A student admitted to a full-time Ph.D. programme may be permitted to change to a part-time Ph.D. programme. A student requesting such a conversion must:

(i) have completed the coursework, passed the comprehensive examination, given the "State of Art" seminar which is adjudged as satisfactory.

(ii) get the request endorsed by the supervisor(s) and the DPGC,

(iii) produce a "No Objection" Certificate from the Head of the institution/organisation, which he/she proposes to join.

Proposed:- Section 7.1 footnote 2

This is the minimum requirement specified by the departments. However, DPGC of each department can ask any student to do additional course(s) based on his/her background. For the course(s) suggested by DPGC, student will be awarded letter grades. *For any other additional course(s) taken by the student, he/she may make a request for grades to be awarded in the S/X mode.* These additional courses may also include UG courses with ~~only~~ S/X grade.

Several suggestions emerged from the discussion with respect to streamlining the procedure for student requests for registration in the additional courses under S/X mode. A proforma based on these suggestions will be presented in the next SPGC meeting.

Item 7: A proposal to streamline the change of registration in the Ph.D. programme from Full-Time to Part-Time.

The SPGC considered the proposal to streamline the implementation of the provision for conversion of registration in the Ph.D. programme from Full-Time to Part-Time under Section 4.8 of the PG Manual.

As per Section 4.8.1(iii), a student is required to produce a 'No Objection' certificate from the employer for the conversion of his/her Ph.D. programme from Full-Time to Part-Time. A 'No Objection' certificate can be claimed only after the student has spent a significant stretch of time with the organization. However, Section 4.8 does not make any provision for leave, thus coming in the way of a smooth implementation of the provision.

After considerable discussion, the SPGC recommended that while all other conditions under Section 4.8 remain unchanged, a provision for leave may be added to it so that the process of conversion from Full-Time to Part-Time can be implemented smoothly. Accordingly, (iv) and (v) below are proposed to be added to 4.8.1:

(iv) a student who wishes to convert his/her Ph.D. programme from Full-time to Part-time on account of a job offer may be granted leave up to a semester, to be extended by another semester, if required, to join the job provided he/she satisfies conditions (i) and (ii) above.

(v) In case the 'No Objection Certificate' is not submitted by the end of the period of leave, the student is required to rejoin the Institute, or else withdraw from his/her Ph.D. programme.

Item 8: To consider the feedback from the departments on guidelines for the award of M.Tech./MS degree to those students who take a direct admission into the PhD programme after B.Tech./BS/M.Sc as per the decision of the Senate (491st/2016-17/2nd).

The discussion was deferred as many of the departments are yet to submit their feedback on the issue.

Item 9: To consider a proposal from the DOAA regarding modifications in the Ordinances and the PG Manual, IIT Kanpur.

The SPGC considered the proposal from the DOAA regarding modifications in the Ordinances and the PG Manual, IIT Kanpur. After deliberation, the committee recommends the proposal with minor changes (Appendix 2).

Item 10: To consider the request of Mr. Utsav Singh (15111045), M.Tech. student, Dept. of Computer Science & Engineering, for change of academic registration from M.Tech. programme to PhD programme.

The SPGC approved the change of academic registration from M.Tech. programme to PhD programme for Mr. Utsav Singh (15111045). The conversion will be effective from the Summer Term, 2016-17. The decision is to be reported to the Senate.

Item 11: To consider the requests of Ms. Sonali Jain (16104085) and Mr. Azeem Ahmad Khan (16104020), M.Tech. students, Dept. of Electrical Engineering, for leave for the Summer Term, 2016-17 for joining a job and permission to change of academic registration from Full-Time to Part-Time. The existing PG Manual does not have a provision for the change from Full-Time to Part-Time in case of M.Tech. students.

The SPGC turned down the leave requests of Ms. Sonali Jain (16104085) and Mr. Azeem Ahmad Khan (16104020) on the following grounds:

(i) There is not provision for the change of academic registration from Full-Time to Part-Time in the M.Tech. programme.

(ii) Leave cannot be granted in these cases as both the students do not satisfy minimum duration clause in Section 7.1 of the PG Manual.

Item 12: To consider the appeal of Ms. Suvra Samal (14103048), M.Tech. student, Dept. of Civil Engineering, for reinstatement in the M.Tech. programme. Ms. Samal's M.Tech. programme was terminated because of unauthorized leave under Section 5.7 of the PG Manual.

The SPGC recommends reinstatement of the M.Tech. programme of Ms. Suvra Samal (14103048).

Item 13: To consider the request of Mr. Ropesh Goyal (16103275), Ph.D. student, Dept. of Civil Engineering, for addition of Dr. V M Tiwari, Director, NGRI, Hyderabad, as a co-supervisor from outside IIT Kanpur.

The SPGC recommended the addition of Dr. V M Tiwari, Director, NGRI, Hyderabad, as a co-supervisor from outside IIT Kanpur for Mr. Ropesh Goyal (16103275). The recommendation is to be sent to the Chairperson, Senate for approval.

Item 14: To consider the request of Ms. Ujjwal Sharma (14100271), Ph.D. student, Dept. of Humanities & Social Sciences, for leave for the summer term, 2016-17 for joining a teaching job with effect from April 01, 2017.

The SPGC approved the leave w.e.f. April 01, 2017 to the end of the summer term for Ms. Ujjwal Sharma (14100271). The student is required to either join as a regular student in 2017-18-I or apply for conversion of her academic registration in the PhD programme from Full-Time to Part-Time with a No Objection Certificate from her employer.

Item 15: To consider the request of Mr. Indubaran Mandal (14108264), Ph.D. student, Dept. of Mathematics & Statistics, for leave for the summer term, 2016-17 for joining a teaching job.

The SPGC approved the leave for the summer term, 2016-17 for Mr. Indubaran Mandal (14108264). The student is required to either join as a regular student in 2017-18-I or apply for conversion of his academic registration in the PhD programme from Full-Time to Part-Time with a No Objection Certificate from his employer.

Item 16: To consider the request of Ms. Ambika Kuity (12103161), Ph.D. student, Dept. of Civil Engineering, for post maternity medical leave from 20/05/2017 to 20/08/2017.

The SPGC approved the leave on medical grounds w.e.f May 20, 2017 up to August 20, 2017 for Ms. Ambika Kuity (12103161).

Item 17: Any other item with the permission of the Chair.

i. The SPGC considered the request of Mr. Keerthi M C (11101064), Ph.D. student, Dept. of Aerospace Engineering, for leave on personal grounds from 17/04/2017 to 22/07/2017. After discussion, committee granted leave from 17/04/2017 to 22/07/2017 for Mr. Keerthi M C (11101064) on personal grounds.

ii. The SPGC considered the requests of the following PhD student for extending the date of SOTA seminar, as they could not present the seminars even after they had been granted the first extension as per their requests. After discussion, the committee granted extensions of the deadline for SOTA presentation to Mr. Kaushik Mohanta (15108263) upto 15/09/2017 and Ms. Sangita Dey (14208267) upto 16/08/2017.

02	14208267	Sangita Dey	MTH	14/02/2017	16/05/2017	16/08/2017

iii. The SPGC considered the request of Mr. Somnath Bhattacharya (15214263) Ph.D. student, Dept. of Industrial Management & Engineering for waiver of one credit of minimum course work requirement. The committee granted waiver of one credit of minimum course work requirement to Mr. Somnath Bhattacharya (15214263).

iv. The SPGC considered the request of Mr. Preetam Chahar (16111045), M.Tech. student, Dept. of Computer Science & Engineering, for leave for the semester 2017-18-I for joining a job. After discussion, the committee turned down the request of Mr. Preetam Chahar (16111045) as the case does not meet the minimum duration requirement under Section 7.1 of the PG Manual.

The meeting ended with the vote of thanks to the Chair.

These documents must be submitted by the prescribed date. The admission, provisional or otherwise, of any ~~**student**~~ **candidate** who either does not submit the required documents by the stipulated date or fails to meet any other stipulated requirement for admission can be cancelled
