(D) Any other item with the permission of chair:

S. No.	Item Description	SPGC Recommendation
1.	HSS PhD eligibility criteria	After due deliberation, SPGC recommended that UGC guidelines need to be followed for NET score validity (i.e., one year). Furthermore, SPGC felt that the suggested changes by the department are not required.
2.	Request for exemption of course – SEE690A, SEE691A and compulsion of taking two courses from core basket - Ashwani Kumar (241290611-SEE)	As the student has already done seminar courses during his M. Tech programme, SPGC recommends waiving two seminar courses requirements. This is to be sent to the Senate for approval.
3.	Clarification regarding supervisor- Deepthi Sara Anil (19127270-ECO)	SPGC recommends addition of external supervisor (write name here and affiliation). This is to be sent to Senate Chairperson for approval.
4.	Request for waive off six months criteria after change of thesis supervisor 1- Ather Hassan Dar (19227262-ECO) 2- RITU KUMARI JAISWAL (19227266-ECO)	After due deliberation, SPGC approved the requests
5.	Request for transfer of course credits from eMaster (Suneel Kumar-242040618-EE)	As per clause 7.4, SPGC does not recommend the transfer of credits of eMaster programme to PhD programme.
6.	Formal approval of B.Tech/BS students from CFTIs to PhD program	The Senate in its 496th meeting had approved the provision of spot admission (provisional) to PhD programs at IIT Kanpur only to 4th year B. Tech/BS students of NITs and not for CFTIs. As clause 2.4.14 of the PG manual already mentions that direct offers for PhD programs can be made to B. Tech/BS students from CFTIs, SPGC recommended that the provision of spot admission offers to B. Tech/BS students from CFTIs into PhD programs at IIT Kanpur can formally be approved. This matter is to be placed to Senate for approval.

Sudha

MINUTES
FOR THE 5th MEETING OF THE SENATE POSTGRADUATE COMMITTEE (2024-25) TO BE HELD ON January 24, 2025 (FRIDAY) AT 03:00P.M.
CONFERENCE ROOM (208), ACADEMIC AFFAIRS BUILDING

7.	Appeal for reinstatement – Ankur Misra - 241140601 - DOMS	The student was terminated under section 5.7 of the PG manual. The appeal of the student was discussed by DPGC. The DPGC convener informed SPGC about factual inaccuracies in the student's letter, such as intimation by the department about office order of termination of the student on the 4th December, 2024. It was informed by the convener that DPGC does not recommend reinstatement as it considers the letter from the student as not an appeal for reinstatement. Furthermore, it was also informed by the convener that DPGC will give the appeal its due consideration if the student applies for reinstatement. After due deliberation, SPGC agreed with DPGC viewpoint.
8.	Minimum CPI for continuation and graduation in MSc programme	After due deliberations, SPGC recommended that MSc (Two Year) program be changed to a credit-based system, similar to UG program (based on UGARC recommendations). In view of this, SPGC also proposes that the graduation requirement for an MSc student be changed to "An M.Sc. (Two Years) student has to complete prescribed number of credits for graduation" in ordinance 10.1. This matter is to be placed in the Senate for consideration.
9.	Request of DoMS for change in credit load in a semester	SPGC recommended the normal semester load of 60 for DoMS Department. The minimum and maximum credits for regular semester being 40 and 70, respectively. Accordingly, clause 4.3.4 will need change (Annexure I). This matter is to be placed in the Senate for approval.
10.	Request to allow online presentation for EE801 for external / part-time students	Senate had already approved XYZ888 (XYZ: Dept. Code) for working professionals. Since working professionals are supposed to return to their parent organization after completion of other courses (and comprehensive exam), doing XYZ801, which needs to be done at least twice, at a later stage becomes difficult. After due deliberations, SPGC recommended that the seminar courses (XYZ801) can also be waived for PhDs, who are working professionals, on a case-to-case basis, upon the recommendation from the DPGC. This matter is to be placed in the Senate for approval.
11.	Proposed change in the PG manual (Section 11.6.3.1) and Proposal to increase the number of reviewers for the thesis review	This was discussed in length. This matter will again be discussed in one of the subsequent SPGC meetings.
12.	Appeal for reinstatement – M K Malakar-15117012-EEM	Based on the recommendation on DPGC, SPGC recommended the reinstatement of the student subjected to the approval from IITK medical board. This is to be sent to the Senate for consideration.
13.	Admission Cancellation- Shiwali-241230613-ES- DST Inspire fellowship	The student was provisionally admitted to the PhD programme in the Department of Earth Sciences in 2024-25 Sem I. As part of the admission eligibility criteria, the student was supposed to furnish the proof of Inspire fellowship. However, the student could not do so at the time of admission and was supposed to furnish the same by Oct 3, 2024. i.e., 8 weeks from the date of registration as per clause 4.b of PG manual. On Oct 1, 2024, the student again requested for an extension of the deadline. This was discussed in the 4th SPGC meeting of 2024-25, where such students were allowed to submit the relevant proof/ documents by Jan 10, 2025, i.e., late registration date of 2024-25 Sem II. However, the student again missed the deadline and requested for an extension of deadline till May/ June 2025. After due deliberation, SPGC recommended cancellation of the provisional PhD admission of Ms. Shiwali. This matter is to be sent to Chairperson Senate for approval.
14.	Pre-registration clause to be included in PG Manual	In line with UG and MSc manual, SPGC recommended the pre-registration clause (Annexure I) to be included in the PG manual. This matter is to be placed in the Senate for approval.
15.	Rearrangement of Clause 4.8 of PG manual	As clause 4.8 has been already approved in the Senate, SPGC approved the rearrangement of the clause (Annexure I) to avoid any ambiguity.
16.	MSc-MSPD Template	Deferred for next SPGC meeting

MINUTES
FOR THE 5th MEETING OF THE SENATE POSTGRADUATE COMMITTEE (2024-25) TO BE HELD ON January 24, 2025 (FRIDAY) AT 03:00P.M.
CONFERENCE ROOM (208), ACADEMIC AFFAIRS BUILDING

(E) Items approved through email

In continuation of item no. D-6, Chairperson SPGC sent an email to SPGC members on the proposed changes in clause 2.4.14 and 2.4.1. The changes were approved.

2.4.14 (Existing)	2.4.14 (Proposed)
Direct Offer to 4th year B Tech/BS Students into PhD Programs at IIT Kanpur to augment the PhD program: Provisional admission can be offered to students from centrally funded technical institutes (CFTIs) based on the results of either 6th or 7th semester and subject to fulfilment of the eligibility criteria listed in section 2.3 with the necessary waivers on GATE score as specified in section 2.4.6. All formalities related to these admissions including acceptance should be completed before the commencement of our regular admission process in April. For this purpose, an on-spot admission committee (duly approved by SPGC) either visits some CFTIs or the top 5-10% students from the various CFTIs be invited to IIT Kanpur for interaction / interview for the admissions. **Spot admission to 2nd year MTech/MSR/M.Des. students from CFTIs into PhD programs at IIT Kanpur:** Provisional spot admission may be offered to MTech/MSR/M.Des. students (in their 3rd and 4 th semesters) from the CFTIs having a CPI of 8.0 or above. The concerned department will be required to complete all the formalities related to these admissions including acceptance before the commencement of the regular admission process in April. An on-spot committee, duly approved by SPGC, will be formed. The committee will either visit some of these institutes or invite the top 10% students satisfying the eligibility criteria for interview/interaction. **Spot admission to 4th-year BTech/BS students from non-CFTIs into PhD programs at IIT Kanpur:** Provisional spot admission may be offered to BTech students (in their 7th and 8th semesters) from top 100 institutes in Engineering (based on NIRF ranking) having a CPI of 7.5 or above. The student will also be required to qualify JRF or GATE, which can be done post-offer and needs to be produced at the time of registration. The concerned department will be required to complete all formalities related to these admissions including acceptance before the commencement of the regular admission process in April. An on-spot committee, duly approved by SPGC, will be formed. The committee will either visit some of these institutes or invite the top 10% students satisfying the eligibility criteria for test/interview. The same mechanism will be followed as done in the regular admissions.	**Provisional PhD Admission Offer to 4th year B Tech/BS Students:** Provisional PhD admission may be offered to B.Tech./B.S. students (in their 7th and 8th semesters) from centrally funded technical institutes (CFTIs) and top 100 institutes in Engineering (based on NIRF ranking) based on the results of their 6th or 7th semester. Such offers would be subject to the fulfilment of the stipulations in Sections 2.3, 2.4.1 and 2.4.6. The students from non-CFTIs who are offered admissions may qualify JRF or GATE post-offer but before the date of registration. All formalities related to these admissions including acceptance should be completed before the commencement of the regular admission process in April. **Provisional PhD Admission Offer to 2nd year MTech/MSR/M.Des. students:** Provisional PhD admission may be offered to MTech/MSR/M.Des. students (in their ,3rd and 4th semesters) from centrally funded technical institutes (CFTIs) having a CPI of 8.0 or above based on the coursework. Such offers would be subject to the fulfilment of the stipulations in Sections 2.3, 2.4.1 and 2.4.6. All formalities related to these admissions including acceptance should be completed before the commencement of the regular admission process in April.

Sudha

2.4.1 (Existing)	2.4.1 (Proposed)
All admissions will be made on approval by the Chairman, Senate on the recommendations of the duly constituted selection committees and the Chairperson, SPGC. A selection committee will consist of faculty members, one of whom will be from another department. The constitution of the selection committee will be proposed by the DPGC and approved by the Chairperson, SPGC. The admission committee for the foreign national candidates should be approved by the head of the department and there is no requirement of an external member from another department.	All admissions will be made on approval by the Chairman, Senate on the recommendations of the duly constituted selection committees and the Chairperson, SPGC. A selection committee will consist of faculty members, one of whom will be from another department unless the selection committee is constituted for provisional PhD admissions by visiting the institutes outside Kanpur. The constitution of the selection committee will be proposed by the DPGC and approved by the Chairperson, SPGC. The admission committee for the foreign national candidates should be approved by the head of the department and there is no requirement of an external member from another department.

Annexure I

Changes in clause 4.3.4. of PG manual

Existing	Modified
4.3.4. Notwithstanding the provisions of 4.3.1, a normal semester load is defined as equivalent of 54 credits for an MBA student. For a well-merited case, the SPGC may permit a student to register for a maximum of 65 credits and a minimum of 36 credits.	**4.3.4.** Notwithstanding the provisions of 4.3.1, a normal semester load is defined as equivalent of 60 credits for an MBA student. For a well-merited case, the SPGC may permit a student to register for a maximum of 70 credits and a minimum of 40 credits.

Addition of Pre-registration clause in the PG Manual

Academic pre-registration: Academic pre-registration is compulsory for all PG students. If due to an unavoidable reason, a student is unable to do academic pre-registration during the period specified in the academic calendar, the student can register online for the courses/credits on the date of registration in the next semester with an additional fee/fine imposed for not completing the pre-registration process. This additional fee/fine can be waived only on compelling grounds on a case-to-case basis upon the recommendation from the DPGC, Convenor by the Chairperson, SPGC.

Rearranging clause 4.8. of PG manual

Clause 4.8: Change of Registration from Full-Time to Part-Time in M.Tech. /MS (By Research) / M.Des / Ph.D. Programmes

Existing	Modified
4.8.1. A student admitted to a full-time M.Tech. / M.Des / MS (By Research) / Ph.D. programme may be permitted to change to a part-time M.Tech. / M.Des / MS (By Research) / Ph.D. programme. A student requesting such a conversion must have (i) completed the coursework, passed the comprehensive examination (not applicable to M.Tech. / M.Des / MS (By Research), given the "State of Art" seminar which is adjudged as satisfactory (not applicable to M.Tech. / M.Des / MS (By Research). (ii) got the request endorsed by the supervisor(s) and the DPGC, 4.8.2 A student who wishes to convert his/her M.Tech. / M.Des / MS (By Research) / Ph.D. programme from Full-time to Part-time on account of a job offer (i) may be granted leave up to one semester, to be extended by one more semester, if required, to join the job if he/she satisfies conditions (i) and (ii) under 4.8.1.	4.8.1. A student admitted to a full-time M.Tech. / M.Des / MS (By Research) / Ph.D. programme may be permitted to change to a part-time M.Tech. / M.Des / MS (By Research) / Ph.D. programme on account of a job offer. A student requesting such a conversion must have (i) completed the coursework, passed the comprehensive examination (not applicable to M.Tech. / M.Des / MS (By Research), given the "State of Art" seminar which is adjudged as satisfactory (not applicable to M.Tech. / M.Des / MS (By Research). (ii) is required to produce a No Objection Certificate from the Head of the institution, which he/she has joined. In case the 'No Objection Certificate' is not submitted by the end of the period of leave, the student is required to rejoin the Institute, or else withdraw from his/her M.Tech. / M.Des / MS (By Research) / Ph.D. programme. (ii) may be granted leave up to one semester, to be extended by one more semester, if required, to join the job if he/she satisfies condition (i).

Sudha

(ii) is required to produce a No Objection Certificate from the Head of the institution, which he/she has joined. In case the 'No Objection Certificate' is not submitted by the end of the period of leave, the student is required to rejoin the Institute, or else withdraw from his/her M.Tech. / M.Des / MS (By Research) / Ph.D. programme. 4.8.3. Such conversion from full-time to part-time, if approved by the SPGC, will be subject to the following conditions: (i) The student must complete his/her thesis within 7 years (for PhD) / 4 years (for M.Tech. / M.Des / MS (By Research)) counted from the date of his/her first registration in the programme, (ii) provision of conversion from full-time to part-time status can be availed of only once by the student during his/her programme, and (iii) the status of the student will be reviewed by the supervisor and the DPGC at least once every two semesters after the conversion, and his/her continuation on part-time status will be subject to his/her making satisfactory progress towards completing the M.Tech. / M.Des / MS (By Research) / Ph.D. thesis.	(iv) got the request endorsed by the supervisor(s) and the DPGC, Convenor. 4.8.2 Such conversion from full-time to part-time, if approved by the SPGC, will be subject to the following conditions: (i) The student must complete his/her thesis within 7 years (for PhD) / 4 years (for M.Tech. / M.Des / MS (By Research)) counted from the date of his/her first registration in the programme, (ii) provision of conversion from full-time to part-time status can be availed of only once by the student during his/her programme, and (iii) the status of the student will be reviewed by the supervisor and the DPGC at least once every two semesters after the conversion, and his/her continuation on part-time status will be subject to his/her making satisfactory progress towards completing the M.Tech. / M.Des / MS (By Research) / Ph.D. thesis.
