c) PG students who have not completed registration for 2024-25-II

Annexure I provides the list of students who have not completed registration yet for 2024-25-2. After due deliberations, SPGC decided that students be contacted again by the Department and the final deadline for registration is 05-03-2025. For each student, DPGCs have been requested to send their recommendations to SPGC by 05-03-2025 for further processing. SPGC chairperson to share the final list and SPGC decision to SPGC members.

(D) Any other item with the permission of chair

S. No.	Item Description	SPGC Recommendation/Decision
1.	Revival of M. Tech Program (Roll No: Y110312)- Hari Kesh Singh-CE	DPGC mentioned that the student will need to do courses again. SPGC noted that the student had withdrawn from the program long back. After due deliberations, SPGC decided against the revival of M. Tech program of the student.
2.	Appeal for reconsideration Comprehensive exam attempt - Smrutiranjan Nayak (231010615)-PhD-AE	The student needs to first appeal for reinstatement instead of appeal for reconsideration comprehensive examination attempt.
3.	Request for extension of Medical Leave-Prasenjit Das-241070019-MSc2-CHM	Based on the recommendation of DPGC, SPGC approved the medical leave extension request of the student
4.	Revised course templates (MTech & PhD) - SPASE	In view of the PGARC recommended 'Open Seminar in 9th Semester' (OS9S), SPGC requested DPGC convener to look into the PhD course work credits requirements for students joining after B. Tech.
5.	Proposal on MSR degree for PhD students with no master's degree in sciences	This matter was discussed and has been deferred.
6.	Increasing the number of seats in MTech BioMed Engineering	The Department of BSBE requested to increase the number of seats in the MTech program (Biomedical Engineering) from 20 to 30, with a reduction of 10 seats from the regular MTech program. After due deliberation, SPGC recommended the request. This matter is to be sent

		to the Senate for approval.
7.	Request to opt for MTech by project: - Neelesh Kumar, 22104064, MTech, EE - Prabir Tewari, 22118011, MTech, BSBE	Based on the recommendations of supervisor and DPGC, SPGC approved the requests for M. Tech with project report for both students subject to obtaining the student's consent to receive M. Tech (with Project) degree (clause 7.9 of the PG manual)
8.	Request of underload (18 thesis credits) for 2024-25-II, ANIRBAN BANERJEE-15214261-DOMS-PhD	SPGC approved the request based on supervisor and DPGC recommendation. It is subject to the production of medical documents.
9.	Requesting underload (9 credits) PhD thesis for 2024-25-II, Anisha Ahuja-21114264-DOMS	Based on the medical documents and recommendations of supervisor & DPGC, SPGC approved the request of underload (9 PhD thesis credits) for the student in 2024-25-II.
10.	***Subcommittee input on MSc and MSPD guidelines*** The convener of the subcommittee (DPGC, Phy) presented the following items for discussion in SPGC: 1) Proposal for "Permission to proceed to other Academic Institutions as Non-Degree Students" for MSc students: 2) Revised Chapter 10 of MSc-MSPD manual 3) Course numbering issue 4) Thesis component in MSc	1) Currently, both PG (M.Tech./M.Des./M.S. by Research/Ph.D.) and UG students are permitted to go to other academic institutions as non-degree students as per clause 6.1 (PG manual) and 11.5 (UG manual), respectively. However, there is no such provision for MSc students in MSc-MSPD manual. SPGC members opined that the proposal to be shared with the Departments/IDPs for their feedback. 2) The Department of Physics offers MSc-PhD (Dual Degree) Programme. A proposal of the revised Chapter 10 (relevant for MSc-PhD Programme) of the MSc-MSPD manual was received. SPGC members opined that the feedback from Departments/IDPs to be sought on the proposal. 3) Currently, the course numbering is done in such a fashion that MSc students are allowed to do only 400 and above course numbers. Since there have been problems with logistics, SPGC approved the dual numbering (same course being numbered differently for UG and PG) for Department of Mathematics & Statistics. Also, SPGC agrees with the subcommittee recommendation that 'A' suffix should be dropped from the courses in the templates. 4) The subcommittee recommended that since MSc involves no thesis-writing but only projects, all mention of thesis in MSc in the manual should be dropped. SPGC agrees with the recommendations of the subcommittee. Other recommendations of the subcommittee have been deferred.
11.	Inclusion of MSR as qualifying degree for PhD students in Table 7.1	The DPGC convener of Department of BSBE pointed out that qualifying degree of MSR is missing in Table 7.1 for PhD students. SPGC members opined that MSR is to be treated at par with MTech, and therefore the credits requirement for students with MSR degree should be same as M. Tech as qualifying degree. Table 7.1 to be accordingly modified.
