Agreement for International Joint Supervision Graduate Program

Between

RIKEN

and

Indian Institute of Technology Kanpur

RIKEN and Indian Institute of Technology Kanpur (hereinafter referred to as "IITK"), being convinced that education and research collaboration between RIKEN and IITK (hereinafter referred to as the "Parties") will both enrich IITK's graduate program in the Department of Chemistry (hereinafter referred to as "DC-IITK") and effectively promote RIKEN research activities, hereby make this Agreement for International Joint Supervision Graduate Program (hereinafter referred to as the "Agreement") as follows:

Article 1: International Joint Supervision Graduate Program

The Parties shall establish an International Joint Supervision Graduate Program (hereinafter referred to as the "Program") to identify and foster talented young scientists capable of contributing to future research collaboration not only between RIKEN and DC-IITK, but also between Japan and India in the field of science and technology, as well as contributing to the advancement of science for the global community.

Article 2: Appointment of Visiting Professors

2.1 IITK, upon written recommendation of candidates by RIKEN, shall appoint RIKEN scientists as IITK Visiting Professors or Associate Visiting Professors (hereinafter referred to as "Visiting Professors"). The Visiting Professors will receive no salary or other compensation from IITK.

2.2 The term of the Visiting Professors shall be for three (3) years, renewable throughout the duration of this Agreement, unless either Party wishes to terminate the appointment earlier by written notice.

2.3 Visiting Professors may sometimes stay at IITK to work within this Program (including lectures or seminars for IITK graduate students) while this Agreement applies.

2.4 Visiting Professors shall be subject to all IITK rules and regulations for the duration of their stay at IITK.

2.5 Appointment of visiting Professors as co-supervisors to supervise the doctoral students who participate in this Program (hereinafter referred to as "Program Students) is subject to norms at Indian Institute of Technology Kanpur.

Article 3: Designated Academic Staff

3.1 IITK shall appoint academic staff of IITK as co-supervisors (hereinafter referred to as "Designated Academic Staff") of the Program Students for the Ph.D. program.

3.2 Designated Academic Staff from IITK may visit RIKEN during this Program in pursuance of duties as co-supervisor. The term of the Designated Academic Staff shall be for the duration of this Program, unless either Party wishes to terminate the appointment earlier by written notice.

Article 4: Application Procedure

4.1 The application and selection procedure for the Ph.D. program at DC-IITK shall be applicable in the selection of the Program Students. The Visiting Professors shall

participate in the selection process.

4.2 DC-IITK graduate students shall apply for this Program by submitting a written research proposal to the Visiting Professors and the Designated Academic Staff.

4.3 The proposal must be written in English or Japanese.

4.4 The successful candidates will be notified in writing through the **IITK** Dean's Office.

Article 5: Supervision of Research

5.1 Program Students shall stay at RIKEN for a designated period (maximum three (3) years) under the joint supervision of the Visiting Professors and the Designated Academic Staff.

5.2 The period of stay and nature of research at RIKEN shall be mutually agreed upon by both Parties and the Program Students.

Article 6: Award of the Certificate for the Program and the Doctoral Degree

6.1 RIKEN and IITK shall jointly evaluate the Program Students' research. If satisfied that it meets the required standards, IITK shall recommend the award of the IITK doctoral degree to be conferred as per IITK norms. In addition, RIKEN and DC-IITK shall jointly award a certificate for the Program.

6.2 All evaluation procedures for the doctoral degree at IITK shall be applicable in the award of the doctoral degree for the Program Students, but DC-IITK shall invite the Visiting Professors to participate in the examination process to the extent possible.

Article 7: Conduct

7.1 Program Students shall sign a written statement agreeing to abide by all relevant RIKEN rules and procedures, including those relating to safety, office activities and travel.

7.2 Program Students shall be liable for any damage to facilities and equipment caused intentionally or through negligence.

7.3 Program Students shall be responsible for payment of statutory health insurance premiums in Japan.

Article 8: Share of Responsibilities

8.1 RIKEN shall accept Program Students as International Program Associates (IPAs) at RIKEN, and RIKEN and/or IITK will cover the cost of the Program, including living expenses in Japan and one round trip travel fare.

8.2 RIKEN may also cover accommodation expenses and travel/injury insurance, as defined in the Annex1, while the IPAs are at RIKEN except for such personal expenses as utilities, telephone and the like.

8.3 RIKEN laboratories shall provide the Program Students visiting under the terms of this Agreement with appropriate access to research facilities and equipment.

Article 9: Research Results

9.1 Prior to the publication of all or part of the results of research conducted at RIKEN under this Agreement, Program Students must first gain permission from the Visiting Professors and notify RIKEN of all relevant developments.

9.2 Program Students shall abide by RIKEN intellectual property regulations for any new discoveries, designs or inventions generated by work undertaken at RIKEN as part of this Agreement.

Article 10: Confidentiality

Program Students shall not disclose to a third party any secret or confidential information acquired during their stay at RIKEN.

Article 11: Consultation
Any questions about the interpretation of this Agreement or issues not covered by its provisions shall be resolved through mutual consultation between the Parties.

Article 12: Amendment
Any amendments to this Agreement shall be subject to the prior mutual written agreement of both Parties.

Article 13: Duration
13.1 This Agreement shall come into effect upon being signed by representatives of both Parties and remain valid for a period of five (5) years.
13.2 This Agreement shall be reviewed during the penultimate year and extension may be considered.

Article 14: Compliance with Laws and Regulations
All activities and programs conducted in connection with this Agreement shall be done in compliance with all applicable laws, regulations and guidelines, including those related to export controls, of the countries or regions and institutions in which the activities are conducted, and international conventions and protocols ratified by the countries or regions to which each Party belongs.

Each Party shall sign two copies of this Agreement, one of which shall be kept by RIKEN and the other by IITK.

For **RIKEN**:

Yuko Harayama
Executive Director
RIKEN

Date: August 11, 2021

For **IITK**:

Abhay Karandikar
Director
Indian Institute of Technology Kanpur

Date: 4 September 10, 2021

Yogesh M Joshi
Dean, International Relations
Indian Institute of Technology Kanpur

Jitendra K. Bera
Head, Department of Chemistry
Indian Institute of Technology Kanpur
