The SPGC granted extension up to July 31, 2016 to Ms. Ridhima Agrawal (14114262), Dept of IME

Item 8: To consider the request of Mr. Mahesh Prasad (14102267) PhD student, Dept. of Chemical Engg., for extension for the comprehensive examination up to September 30, 2016.

The SPGC granted extension for the comprehensive examination up to September 30, 2016 to Mr. Hahesh Prasad (14102267) Dept. of Chemical Engg. The decision will be reported to the Senate.

Item 9: To consider the appeal for reinstatement in the M.Tech. programme of Mr. Ashish Sharma (Y6202001) Dept. of Chemical Engg. His M.Tech. programme was terminated due to unauthorized leave, under section 5.7 of the PG manual.

The SPGC noted that Mr. Sharma is a student of the Y6 batch, whose prgramme was terminated six years back. It was felt that it would be inappropriate to reinstate a student with a one-time academic extension to account for a gap of eleven semesters. Hence, SPGC does not recommend reinstatement of Mr. Sharma in the M.Tech. programme.

Item 10: To consider the appeal for reinstatement in the M.Tech. programme of Mr. Sayantan Marik (13111057) Dept. of Computer Sc. & Engg.. His programme was terminated because he did not register in the semester 2015-16-II nor was he on sanctioned leave during this period.

The SPGC considered the case and recommends the reinstatement of Mr. marik in the M.Tech. programme.

Item 11: Any other item with the permission of the Chair

i. The SPGC considered the requests of following PG students for a post facto substitution of the course AE675A with CE689A. After discussion, committee turned down their requests.

ii. The SPGC discussed the issue of the NoC for Mr. Nagesh Kumar Tripathi an applicant in the M.Tech. programme under part-time scheme. As the candidate had not submitted the NoC issued by his organization along with his application, the SPGC could not take a view on whether the said NoC was adequate for the Institute purposes. However, Chairperson, SPGC was authorized to take appropriate action in this regard.

iii. The SPGC considered the requests of the following M.Tech. students for change of academic registration from M.Tech. to Ph.D. programme in their respective departments, under clause 4.6 of the PG manual. After discussion, committee approved the change of academic registration from M.Tech. to Ph.D. programme of all these students in their respective departments. The matter will be reported to Senate.

iv. The SPGC discussed implementation of the newly approved name for M.Tech. in Earth Sciences as M.Tech. in 'Geological Technology' with effect from the graduating batch in 2016. After detailed discussion, SPGC took the view that the issue concerned interpretation of a decision of the Senate, and as such, did not come within the purview of SPGC. It was decided to refer the matter to the Senate.

v. The SPGC considered the appeal of Mr. Shubham Sahai Srivastav (12211063), Dept. of Computer Science & Engg., for reinstatement in the Ph.D. programme with an option to exit the programme with M.Tech. degree. His programme had been terminated by the Senate because the student could not clear his comprehensive examination within the stipulated time as per Section 8.2 of the PG manual. After discussion, committee recommended to the Senate the reinstatement of Mr. Srivastav's programme, with permission to exit with M.Tech. degree as per Section 7.8 of the PG Manual.
