After discussion, the committee granted extension in the deadline up to 31/01/2017. The decision is to be reported to the Senate.

(iv) The SPGC considered the request of Mr. Ayan Roychowdhury (10205063) Ph.D. student, Dept. of Mechanical Engg., for academic extension. After discussion, the committee recommended academic extension for 2016-17-II.

(v) The SPGC considered the request of Ms. Amrita Goswami (16102261) Ph.D. student, Dept. of Chemical Engg., for continuation of her academic programme. Her Ph.D. admission was cancelled due to non-fulfillment of eligibility criteria as per under Section 2.3 of the PG manual. The SPGC discussed at length the appeal of Ms. Goswami as well as the DPGC recommendation on her appeal, and noted the following:

1. The decision of the Senate cancelling Ms Goswami's provisional admission cannot be revoked as the candidate does not fulfill the eligibility criteria for Ph.D. admission. In this regard, the document submitted along with the appeal (Annexure 4 of Ms. Goswami's appeal) cannot be considered because, as per the AKTU norms available on the University website, and indeed, rightly observed by the DPGC in its recommendation, the procedure for conversion from percentages to CGPA invoked in this document comes into force with effect from 2016-17 whereas Ms Goswami graduated from HBTI in 2015-16.

2. The candidate cannot be considered for admission in MS (Research) retrospectively as requested by her and as recommended by the DPGC, since she had not been selected for admission in the MS (Research) programme in 2016-17-I as per the records available with the SPGC office.

   In view of the above, Ms. Goswami's appeal cannot be considered favorably. The SPGC recommends that the candidate may be considered for fresh admission in MS (Research) through open advertisement.

(vi) The SPGC recommended the addition of Dr. P C Pant, Scientist F, Director, Ministry of New and Renewable Energy, Govt. of India, as a co-supervisor outside IIT Kanpur for Mr. Sarvish Singh (15103405), MS(Research) student. The recommendation is to be sent to the Chairman, Senate for approval.

The meeting ended with the vote of thanks to the Chair.
